Comments (Access to housing and support)

Indicator 30 - our relet time was significantly affected by Covid. We suspended letting activity in April & May 2020. When we resumed, the necessary safety protocols to protect prospective tenants, staff and contractors meant that each stage of the void and letting process took longer. Our performance improved in Quarter 3, but dipped again in Quarter 4 with the additional restrictions imposed from 26 December 2020.

Indicator 23 - Our Section 5 Agreement with EDC is void led, they will often make more than one Section 5 referral for each vacancy notified to them. Therefore, inevitably not all referrals result in an offer. We also received some referrals for applicants who did not wish to be housed in our area of operation.
